

APT - GREEN/GOLD Weekly Raffle – 2023/24

Additional Information for New Families

As an alternative way to raise additional funds to secure school programs and to help keep tuition at a minimum, the Alliance of Parents and Teachers (APT) organizes a raffle each spring. This single APT fundraising initiative replaced families having several fundraisers per year. The raffle has been very successful, with over \$60,000.00 raised each year to assist in funding school activities and improvements to the school campus that directly enhance the learning experience of our students.

Please read through the notes and reach out if you have any questions.
