

## Acceptable Use Policy for Computer and iPad

Primary, St. Gerard Majella School 2020-2021

- I will be responsible and make good choices while using the laptop, iPad, or any school device.
- I will only use the apps, websites, or computer programs my teacher tells me to use. I will use the camera to help my learning, not distract others.
- I will always close the lid and use 2 hands when carrying a laptop, iPad, or school device. I will use the equipment gently, and ask for help if I get stuck.
- I will never have liquids or food around the laptop, iPad, or school device.
- I will use my own password, never someone else's password.
- I will not share my password with anyone except my parents.
- I will not change someone else's digital work (typing or pictures) unless they say it's OK.
- I will use my comments online in ways that are kind.
- I will tell my teacher if something on the laptop, iPad, or school device makes me uncomfortable.
- I will tell my teacher right away if the laptop, iPad, or school device is not working.
