

ST. GERARD MAJELLA SCHOOL CHROMEBOOK ORDER FORM

Last day to order Chromebooks: May 21, 2021

Every middle-school student is required to have a Chromebook for school.

Order Date				
Student Name				
Phone				
Email				

IMPORTANT INFORMATION:

BOTH pages of the Order Form must be returned

- Students currently in 5th, 6th, or 7th grades are required to have a Chromebook for the 2021-2022 academic year.
- The Chromebook has a 1-year warranty from the manufacturer, Acer. We also order a 2-year extension to that warranty, which will be handled by Acer. This extended warranty will cover the Chromebook from June 2021 through June 2024; that is, from 6th through 8th grade.
- Chromebooks are low-cost devices. Most physical damage requires replacement of the device. Parents will be responsible for the replacement Chromebook.
- The Chromebooks are the sole responsibility of the students to which they belong. St. Gerard Majella School is not responsible for any damage that occurs to the Chromebooks on or off the school property.
- Students are responsible for following the St. Gerard Majella School Acceptable Use Policy at all times. Students who misuse the internet while using their Chromebook will forfeit the use of their Chromebook for a length of time to be determined by the Principal.
- Once order form and payment have been processed, the Chromebook will be available for pickup during Visiting Day on August 15, 2021.
