GENERAL ORGANIZATION SUGGESTIONS:

- extra **3-prong folder** OR **8-pocket folder** for papers being worked on - also a place to keep looseleaf that will be used in all classes
- Do you prefer pencils? Get more. How about ink pens? Get more in the color (black or blue) you prefer. Writing utensils often run out over the course of the school year.
- **Extra supplies are stored in locker and cases are replenished as necessary during the year**
