

MORNING DROP OFF

Enter the school parking lot from Ballas Road or Dougherty Ferry Road. Continue to drive around the back of the building with the flow of the big school drop off lines. Your child stays in the car until you get to the main parking lot. There you will stay closest to the sidewalk/stage lane for Preschool Drop Off. You will stay inside your car. Ms. Gintz and preschool staff will come to let the students out. Once students are on the curb, preschool cars will pull up and join the big school lane to exit onto Dougherty Ferry. Please do not exit onto Ballas until have 7:50 a.m.
