

Noon Dismissal Procedures

There will be two options for noon dismissal this year, which will unfortunately vary depending each day. This is due to middle school lunch recess being held on the blacktop during noon pick up time.

On most days, middle school students have recess on the field. However, when the field is wet or muddy—such as on rainy days—recess is moved to the blacktop and continues until 11:55 a.m.

Dismissal Option 1: Blacktop Available (No Recess)

If the blacktop is open and not being used for recess:

- You will pull onto the main lot, facing the stage.
- Please line up in two rows.
- Once all students are safely in their cars, cars will be dismissed to exit the lot.

Dismissal Option 2: Blacktop Unavailable (Recess in Progress)

If middle school recess is happening on the blacktop (usually due to a wet or muddy field):

- You will need to find a parking spot on the church side of the lot.
- If no spots are available, you may double park behind parked cars.

In both scenarios, preschool staff will walk your child outside at Mary's Garden. You will meet your child there.

Thank you for your cooperation in keeping dismissal safe and smooth for everyone and we appreciate your flexibility and understanding as we adjust dismissal procedures based on daily conditions.
