

Preliminary Calendar For School Year 2023-2024

This is a preliminary calendar for the upcoming school year. This includes everything that you will want to know as far as days off, etc. A more complete calendar will be available online in August, 2023. That will be the final calendar!

As you will see we have continued with some half days in the calendar. This worked out really well for us this year. The days will continue to be used for faculty meetings and professional development. If there is a half day be aware there is no aftercare on that day. These days are highlighted in **RED**.
