(cookies, brownies, veggie tray, chips/dip, chocolate candy, etc.) You will just drop this off in the morning of the assigned day.

***All volunteers have to be in compliance with the Prevent and Protect Program.

****Anything spent for the parties or treats will be reimbursed to you. We collect a \$30 Party Fee at registration time and that is what helps pay for our special events.

What are room parents and what is each event?

We have a lot to celebrate in preschool and we can only do that with help from you, the parents! Below is an explanation of each activity and a general 'job description'.

Head Room Parent

This is one parent, hopefully two parents, from each classroom that designates which parents organize/lead each classroom party. They keep communication with Ms. Gintz on any questions for the parties, if needed. Head Room Parents oversee and organize the Christmas and End of the Year class gift for the teacher and aide. Head Room Parents help parents with classroom parties if there is a need.

Halloween/Valentine's Day Parties

You will work with other parents in your child's class to plan and execute the holiday parties. You will organize games, a small craft, and a snack for the class. Parties are from 10:00 a.m.-11:00 a.m.

Christmas Program

The students will have a small Christmas program for the parents and afterwards everyone will have small snacks and juice as we enjoy the Christmas season. You will oversee gathering of the food, drinks, and simple decorations for this morning.

Breakfast Buddies

Dads, or other special men in the students' lives, are invited to join us from 7:30 a.m.-8:30 a.m. for donuts, juice, and visits to the classroom. Parents organize the donuts and juice for the day and help plan a craft to be completed in the classrooms.

Grandparents' Day/Special Person Day

You will work with a group of parents from all four classrooms to prepare a small 'reception' for the preschool students and their grandparents. This will happen in the gym and will be an hour. Students will enjoy small snacks/juice, give a tour of their classroom, and participate in other activities. You will oversee gathering of the food, drinks, and simple decorations for this morning.

Easter Eggs

This is an easy one! Each student brings in six filled eggs for the hunt. All parents have to do is come up to school around 10:30 a.m. and hide the Easter Eggs.

End of the Year Picnic

You will work with a group of parents from all four classrooms to plan a picnic for the whole preschool. Families bring their own lunches, but parents reserve a park, order a fun snack for everyone, and provide an activity to do while at the park.

Teacher Birthday Treat

This parent will get a small treat/dessert for the teacher/aide on her special day.

*There will be a Head Room Parent Meeting towards the end of September to go over all the events for the year.

*Emails regarding each event will come as it draws near. Nobody flies solo on the parties, so no need to fear on organizing things by yourself.
