

SGM Dismissal Procedure

1. The SGM parking lot opens at 2:30 PM
2. Enter parking lot from Ballas Road and proceed around back of school
3. Please see diagram for order of line up. Cars either face church (green lines) or face Dougherty Ferry (Red, yellow and blue). Overflow cars go into east lot and around back of school
4. Dismissal after whistle in order of rows (see diagram)

- **The parking committee help ends Friday, 4/9.**
- **Please don't enter the lot until 2:30 pm.**
 - Why can't people line up at the gate before 2:30?
 - Cars can't enter or exit the campus (picking kids up early, parishioners going to adoration, etc.)
 - Cars back up on Ballas which could lead to serious accidents
- **If you are in the east lot or around back, please walk up to greet your carpool or wait until dismissal and pick up at stage.**
 - Why can't kids walk alone to east lot or around back?
 - We want to avoid any moving children before we blow the whistle
 - If we can't see everyone, then we can't be sure that everyone is safe in a car
 - Little kids follow the big kids, so the rule must apply to all ages

Thank you for keeping the kids at SGM safe in the parking lot!
